

BRANCH PITCH

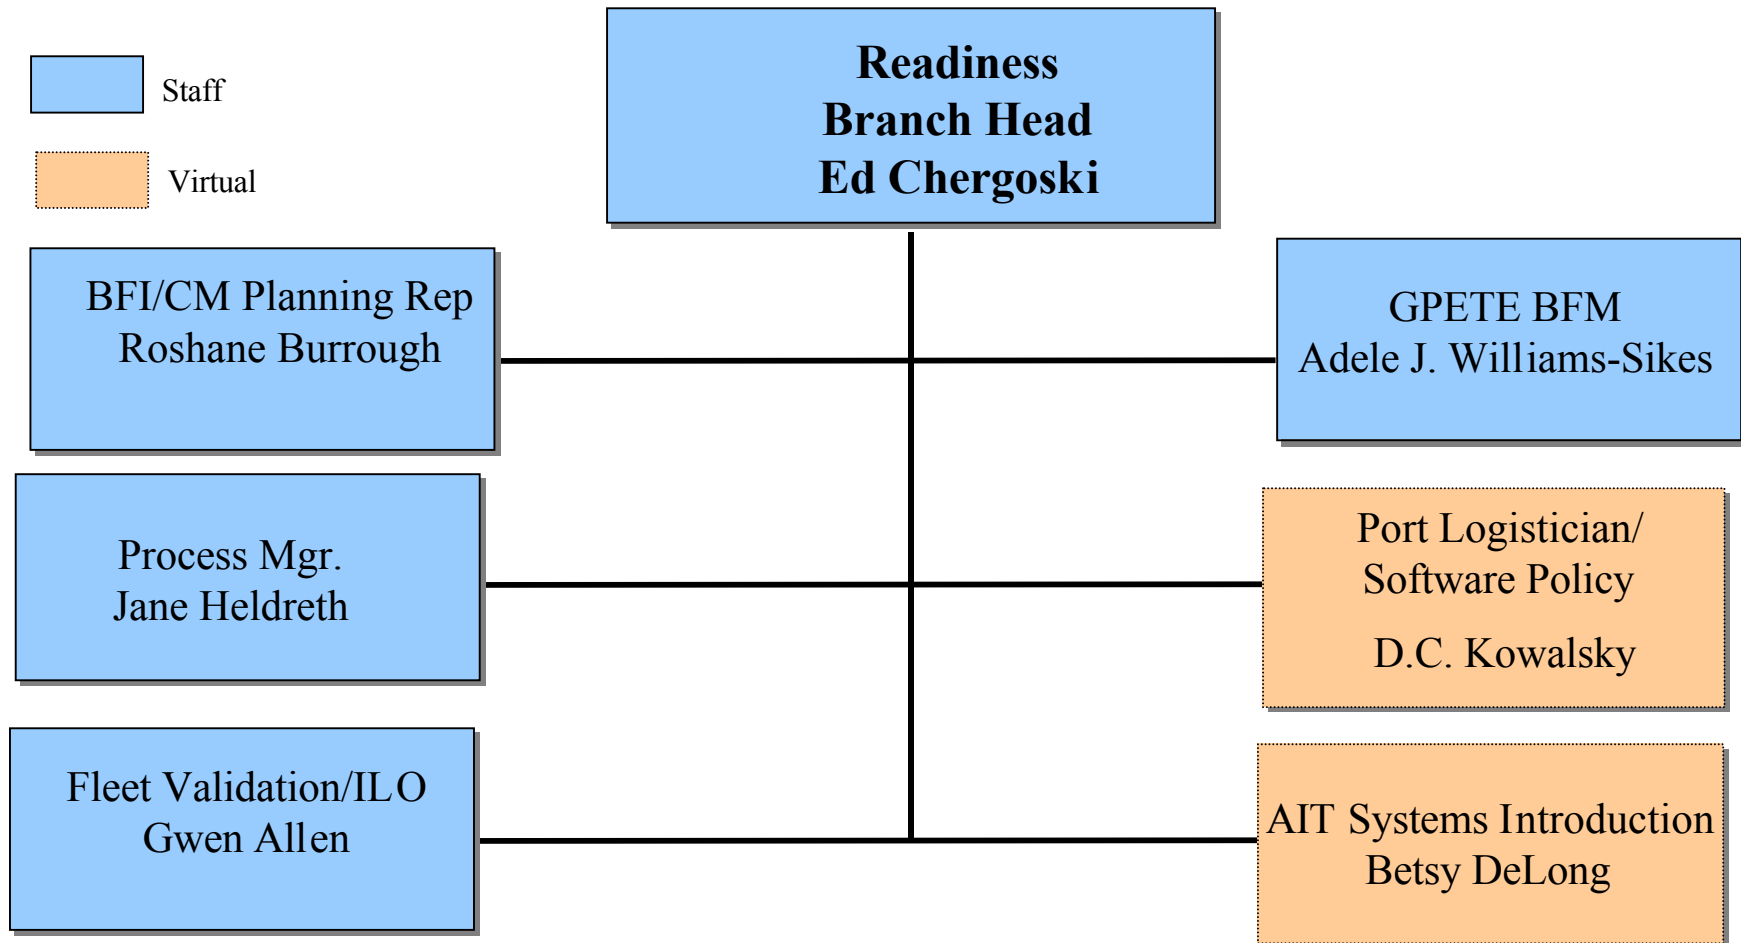

Mr. Ed Chergoski

Readiness Branch Manager

NAVSEA 04L52

Chergoskiej@navsea.navy.mil

SEA 04L52 ORGANIZATION

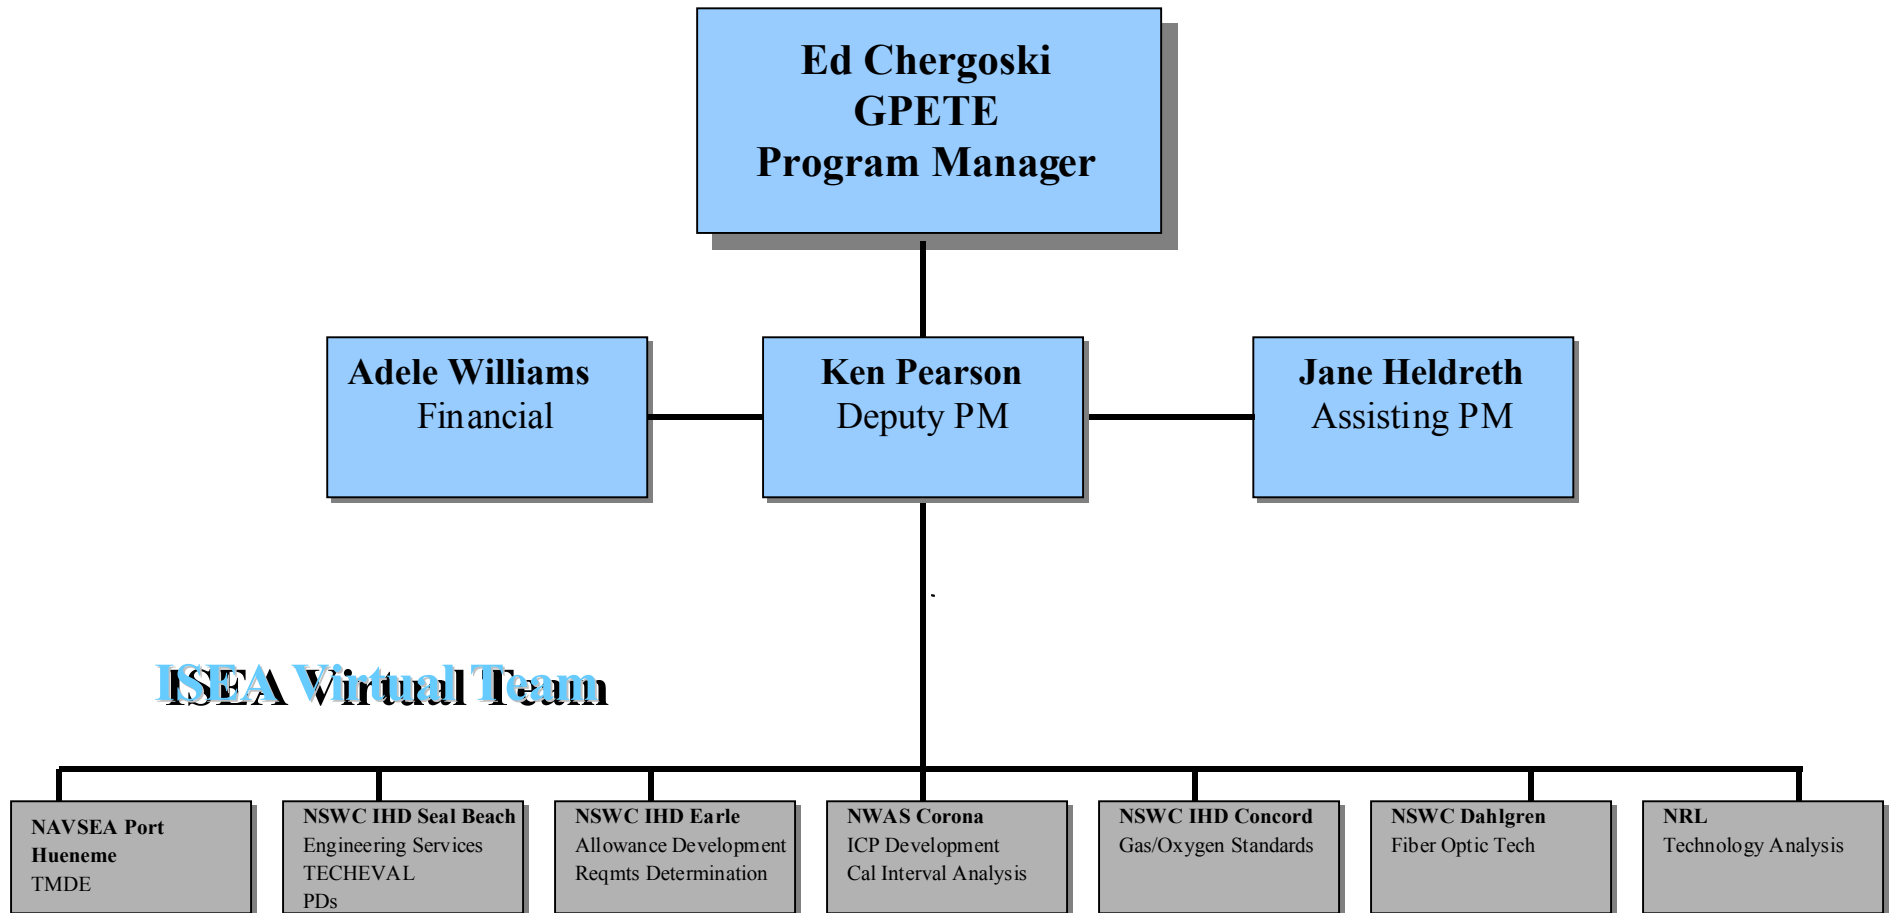

SEA 04L52 DIVISION RESPONIBILITIES

- **GPETE Program Manager**, is responsible for the acquisition, engineering & life-cycle logistics support for the Navy's General Purpose Test Equipment and calibration standard program.
- **BF CM Planning**, tracking ILS certification and ILS waivers for Alts installed during Ships availability.
- **Readiness Metrics**, Develop and track meaningful Readiness metrics.
- **ILO Policy/ Tools** Act as EA for OPNAV to ILO's. Ensure that East and West Coast's policies and tools are common from coast to coast.
- **AIT (Automated Identification Technology)**, As the Navy's AIT NAVSEA Steering Group Representative, we are putting in place a NAVSEA Steering Group to establish coherent policy and guidance for the introduction of this technology on our systems and ships.

SEA 04L52 BRANCH RESPONIBILITIES

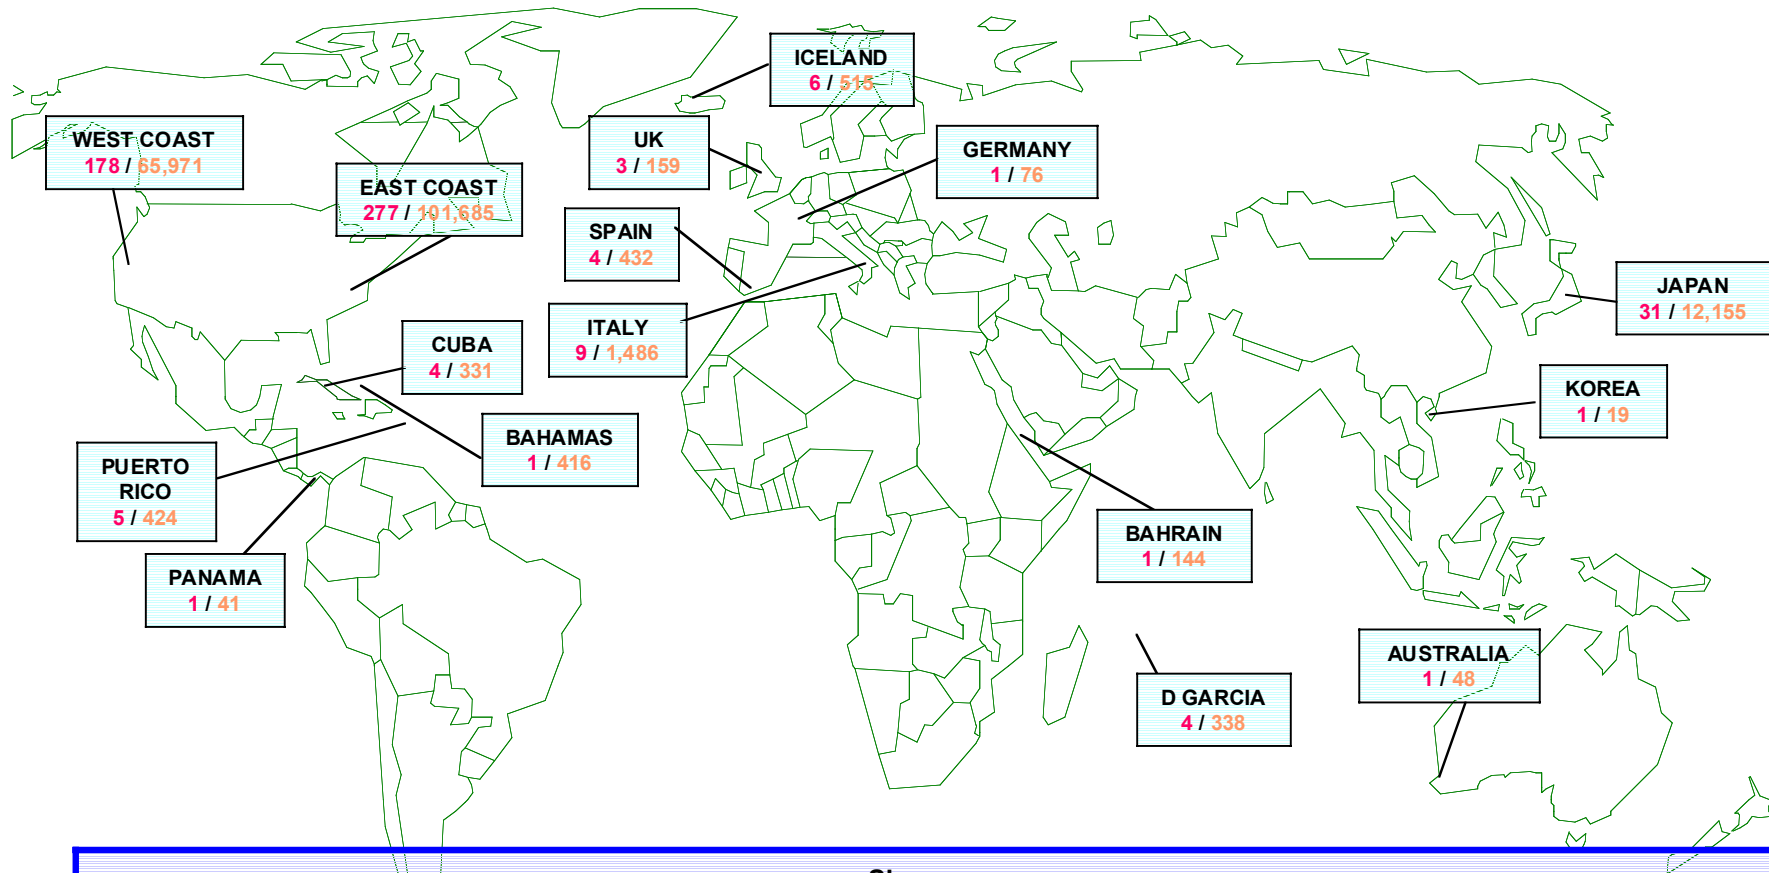

- **FLSIC Conference**, Co-chair for the Semi-Annual FLSIC Conference, this is a viable forum for:
 - Exchanging Technical information
 - Resolving Fleet Logistics support issues
 - Improving our business practices
 - Integrating maintenance & logistics concerns
- **Validations/Audits**, Conduct SCLISIS audits and validations to improve configuration accuracy of all Naval Ships.
- **NSA ILS IPT**, Co-chair NSA study to review support processes during CNO availability's.
- **Port Logistician**, NAVSEA effort, modeled after Port Engineer to establish a coherent effort to utilize existing water front assets to provide optimum logistic support for the Fleet.
